THE WHY BEHIND OUR RECOMMENDATION

Based on 473 tenants with reported square footage. Percentages show share of tenants in each size range.

OUR RECOMMENDATIONS

Proposed *Layouts*

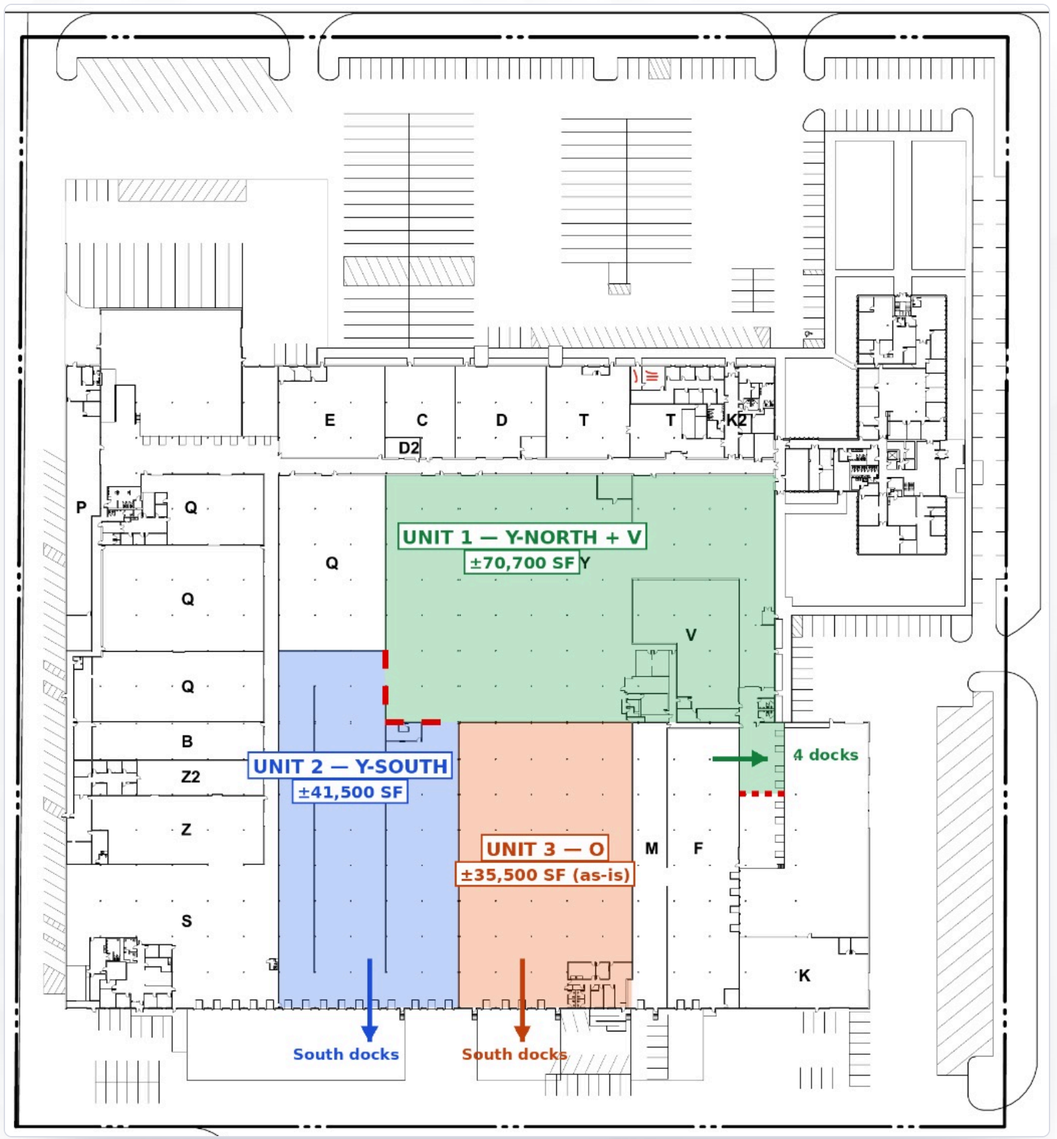

PROPOSED LAYOUT

Divide Unit Y into two separate floor plans: ±70,700 SF and 41,500 SF.

- For Unit 1 (±70,700 SF), demolish Unit V within it to create a contiguous floor plan.
- For Unit 2, build a small office and bathroom near the south docks and add a corridor door to meet life safety requirements.
- For Unit 3-0, as-is.

GENERAL COMMENTS:

- Mark each overhead door with its corresponding unit number or letter.
- Reconfigure trailer parking and clearly label each space by unit and spot.
